Grace Hopper Celebration for Women in Computing

Tuesday, September 29 to Friday, October 2, 2020

Orange County Convention Center, Orlando, Florida
GHC is the world’s largest gathering of women technologists.

Attend inspiring keynotes and sessions, network with peers, and gain important resources to help you succeed in and further your career.

Gain access to career and academic workshops, networking opportunities, and memories that will last a lifetime.

Scholarships

- **GHC Scholars Program for students**: Pays for registration, hotel, airfare, and stipend. Deadline March 4 and notification early May.

- **GHC Women in BootCamp Scholarship**: Benefit same as the Scholars Program but requires certificate of some coding program. Deadline March 4.

- **GHC Women of Color in Technology Complimentary Registration**: Deadline May 5 and notification by June 5.
Apply for the GHC scholarships ASAP. Applications close March 4. You will need a faculty recommendation. The form is short, but you should ask now. You need to have applied to be possibly eligible for department funding.

Look for other scholarship opportunities: Google, Microsoft, other companies
