Project: 3- Bouncy Ball (Aman Bhoot)

Enters from the left, rolling into scene, overshoots, then moves into the center. The introduction.

Starts performing the main movement/ walk cycle. Then, bounces into the next scene. Still spring.

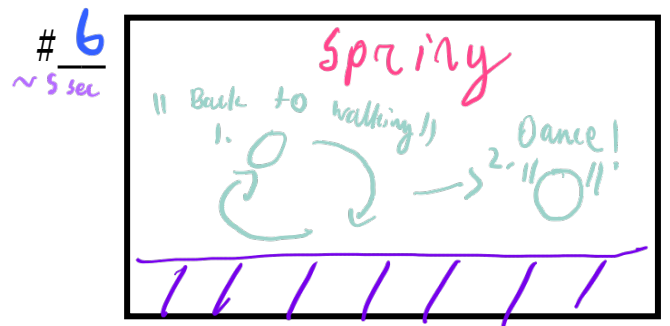

Jump into summer onto a beach. Looks around for shade, sees a parasol & dashes into it. Then jump into next transition.

Continue jumping, then stop to drink pumpkin chai latte. Then transition by jumping & throwing cup.

Transition into ice skating, starry dark night with glowing ice. Then, failed jump to transition into next scene.

Transition back to spring for finale. End with the ball moving with the final sharp beats of the song.
